I.D. Images Voted one of Cleveland's Top Workplaces

I.D. Images LLC, a leading pressure sensitive label converter, puts its culture to the test

Brunswick, Ohio, August 25, 2011 – I.D. Images announced today that it was voted one of the top workplaces in the greater Cleveland area.

The Plain Dealer's second annual review of the region's best places to work identified I.D. Images as one of the best places to work in Northeast Ohio. The study was conducted by WorkplaceDynamics of Exton, PA.

"Being recognized as one of Northeast Ohio's Top Places to Work is a testament to our team. They have a passion for what they do that is contagious. This award belongs to them," states Brian Gale, President of I.D. Images. Brian goes on to say, "As a company, we work hard to foster an environment that brings out the best in people. We want people that strive to make a difference – at work, in their families, and in their communities. As an employer, we feel a responsibility to help our team members make those differences. Making a difference is ingrained in our culture."

-more-

I.D. Images, a leading manufacturer of converted label media, specializes in providing label solutions for supply chain management to brand protection. The company serves varied markets including Transport and Logistics, Food and Beverage, Consumer Durables and Healthcare to name a few. I.D. Images' comprehensive product offering includes thermal transfer labels, ribbons, direct thermal, laser and Integrated labels and cards, on various paper and film or synthetic substrates. In addition, I.D. Images offers significant custom label capabilities including spot and digital printing, multi-web laminations and die-cutting. I.D. Images maintains manufacturing and distribution locations in Cleveland (Brunswick), Cincinnati, Chicago, and Charlotte. I.D. Images sells exclusively through distribution with a primary focus on packaging distributors, value added resellers and other label converters.
