## For Immediate Release

### I.D. Images, LLC Celebrates 20 Years Producing Quality Labels for Distributors

*Brunswick, Ohio – June 22, 2015, I.D. Images LLC, a leading pressure sensitive label converter in Brunswick, Ohio celebrates 20 years supplying labels and related items to Distributors across the country.*

Brian Gale is the CEO and majority owner of I.D Images, originally founded in 1995 by Richard Yisha. Mr. Gale joined the firm in 2003 and completed a successful management buyout of the company in 2007. The company has more than tripled in size over the years through organic growth as well as the strategic acquisitions of Concorde Labeling Systems of Cincinnati (2009), Specialty Tape of Chicago (2010), Heather Label of Charlotte (2011), Advent LLC of Charlotte (2012), and most recently Hi-Tech Printing of Cincinnati (2013). I.D. Images also has a warehouse for distribution in La Palma, CA. *“We are on a mission to always improve our capabilities, technology, and processes. We ask ourselves, how can we better serve our customers? We want to earn our customers’ business by making their lives easier,”* says CEO Brian Gale.

Today the company has over 150 employees including an experienced sales force that is always available for joint calls with customers to end users, bringing their knowledge and expertise to Distributors who often sell a variety of products. *“I rely on I.D. Images to be supportive and stand behind their product – our sales rep, Mark, will visit customers with me and provide his expertise to solve their problem.”*  
Bruce Darrah – xpedx

*I.D. Images, a leading manufacturer of converted label products, selling to Distributors and value added resellers since 1995. I.D. Images’ product offering includes custom long and short run labels up to 8 colors, durable labels, variable barcoded labels, UL labels, linerless labels, thermal labels, printers and ribbons, laser labels, integrated labels and cards on a variety of substrates including papers and films.
