## For Immediate Release

### **I.D. Images, LLC Achieves ISO 9001:2008 Registration**

Brunswick, Ohio – September 1, 2015 I.D. Images LLC, a leading pressure sensitive label converter in Brunswick, Ohio is pleased to announce ISO 9001:2008 registration. The comprehensive system audits covered every aspect of operations.

"Any company that has been through the registration process knows that achieving ISO 9001 is demanding," said Brian Gale, CEO I.D. Images. "Each individual in our operation must be wholly dedicated to the pursuit of quality. By scrutinizing our enterprise at every level, we assure that our customers are receiving superior customer service and the highest quality products."

ISO 9001:2008 is a quality management system standard that was developed by the International Organization for Standardization, which is an association of governmental and nongovernmental organizations from many countries. The ISO 9001:2008 standard is utilized to certify quality management systems that focus on continuous improvement, customer satisfaction and the active involvement of both management and employees in a process based approach.

"Fulfilling the strict requirements of the ISO 9001:2008 standard highlights our focus and commitment to deliver total customer satisfaction," Brian Gale said.

*I.D. Images, a leading manufacturer of converted label products, specializes in providing label solutions from supply chain management to brand protection.
